### Supplies

Stampin' UP!~ XL Pennant Die

Impressions Folder

Cardstock

Circle Punch

Wire

Glitter

Fine Tip Marker

Cut Small Pennant from Die

\*Optional if not using Patterned DSP, consider using impressions folder to add texture/dimension to angel.

Lay Pennant pattern side down or “embossed/textured” side down.  
Fold corner into center line/fold.

Repeat with opposite corner

Fold flaps back to other side to make it easier to do next step.

Fold point into center line  
Repeat on opposite side

Turn over and expand flaps as shown.

Punch 1 ¼ circle from coordinating cardstock, draw face, add with dimensional to scallop circle, poke wire through “stitch” marks created by die, adhere to back of scallop, add ribbon loop to hang, cover wire and ribbon loop with 2<sup>nd</sup> large scallop circle.
